

I am writing this letter to express the importance of K-LOVE radio here in San Diego. It has served the youth in my community who have chosen an alternative to the MTV lifestyle. K-LOVE and the musical artist they support and play on the radio have made many sacrifices to meet the needs of those kids.....what have the "others" given to them but, drugs, sex and immoral lifestyles...give our youth a another choose. Please continue broadcasting with K-LOVE  
Thank you for your time
